

Research Centre for Toxic Compounds in the Environment

Ministry of the Environment
of the Czech Republic

Registration web page:
<https://is.muni.cz/obchod/fakulta/sci/?lang=en>

For students:
Summer School will be credited
- 4 ECTS credits for theoretical part,
- 4 ECTS credits for practical exercises.

More information:
- RECETOX web pages:
<http://www.recetox.muni.cz/index-en.php>,
section Events
- Full registration fee is CZK 15,500
(€ 550) (covering lectures and practical
exercises, background materials, field trip,
accommodation with breakfasts, lunches)
- Early bird registration fee is CZK 14,000
(€ 500)
- Participants cover their travel expenses and
health insurance.

Important dates:
Registration will be open on **15 February 2015**
Early bird registration: **15 April 2015**
Registration deadline: **1 June 2015**

For details contact **Dr. Petra Růžičková**
(ruzickova@recetox.muni.cz)

First Announcement

Research Centre for Toxic Compounds in the Environment (RECETOX), Masaryk University, together with the Secretariat of the Stockholm Convention and the Ministry of the Environment of the Czech Republic organize

11th Summer School on Toxic Compounds in the Environment 2015

Date: 15–20 June 2015

Venue: RECETOX, Kamenice 753/5 (building A29),
Masaryk University, Brno, Czech Republic

General topic:

Toxic compounds in the environment

- their sources, levels, transformations and long-range transport;
- sampling and analytical techniques;
- toxic and ecotoxic effects on biota, biotests and biomonitoring;
- risk assessment, data analysis and modelling (including GIS).

Special topic of this year

(co-organized with the EU COST action CYANOCOST):

Toxic cyanobacterial blooms in freshwaters

- causes and adverse impacts on human health and ecosystems;
- exposure and hazard assessment: analytical and toxicological approaches;
- management and remediation.

Programme structure:

- lectures, workshops;
- laboratory exercises;
- field trip;
- social events.

Invited speakers:

Martin Scheringer, ETH Zürich, Switzerland

Katarina Magulova, Secretariat of the Stockholm Convention

Leading European experts from the CYANOCOST consortium:

Jussi Meriluoto, Abo Academy University, Turku, Finland

Zorica Svircev, University of Novi Sad, Serbia

Bas Ibelings, University of Geneva, Switzerland

RECETOX lecturers:

Jana Klánová, Ivan Holoubek, Luděk Bláha, Jakub Hofman,

Klára Hilscherová, Pavel Čupr, Kateřina Šebková and others
